

## Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tiresome it will be to tidy up your very own home right after having a large party, with out aid from cleaning equipment. Back in the day, the time upholstery and carpets had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the best cleaning materials of that time.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the business in 1906, he began to produce motors to be able to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to have a global business marketing goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner that could be operated by a single individual in view of the fact that it just weighed 17.5 kilos! This creation came in a time where other cleaning equipment were huge and required at least 4 operators, thus, the Nilfisk C1 changed everything and evolved the manner we clean forever. The genius behind these first cleaning equipment remains unparalleled. Cleaning machines offer a brilliant solution to an existing problem; things get dirty and must be cleaned regularly, without a lot of effort.

Gradually, the company Nilfisk-Advance expanded through the years. In the early nineteen eighties the company expanded more rapidly when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the industry, aspiring to be an active global player in manufacturing professional cleaning machines. Nilfisk-Advance is presently located in all parts of the world due to gradually acquiring a lot of small businesses in order to develop their product range and presence in new markets. They are really proud to offer different cleaning solutions to suit each requirement.
